INTERNATIONAL VOCATIONAL SKILLS TRAINING

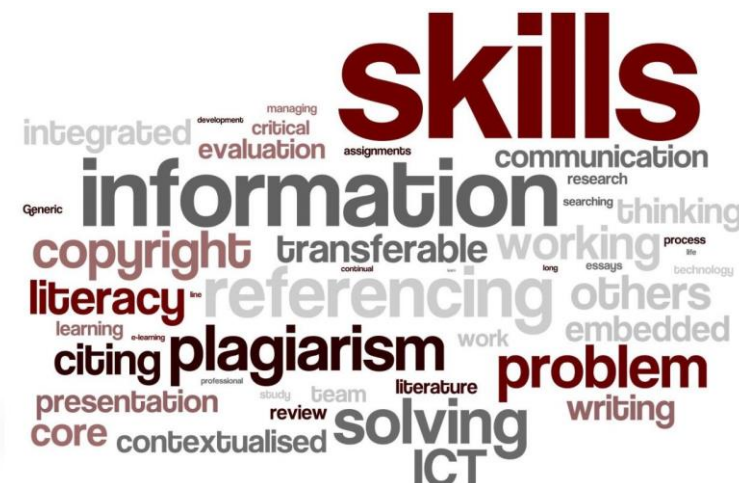

● DIPLOMA

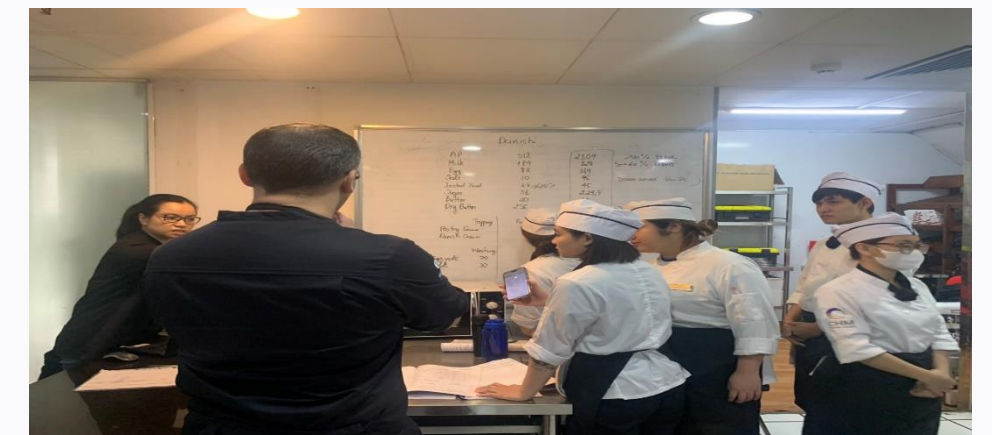

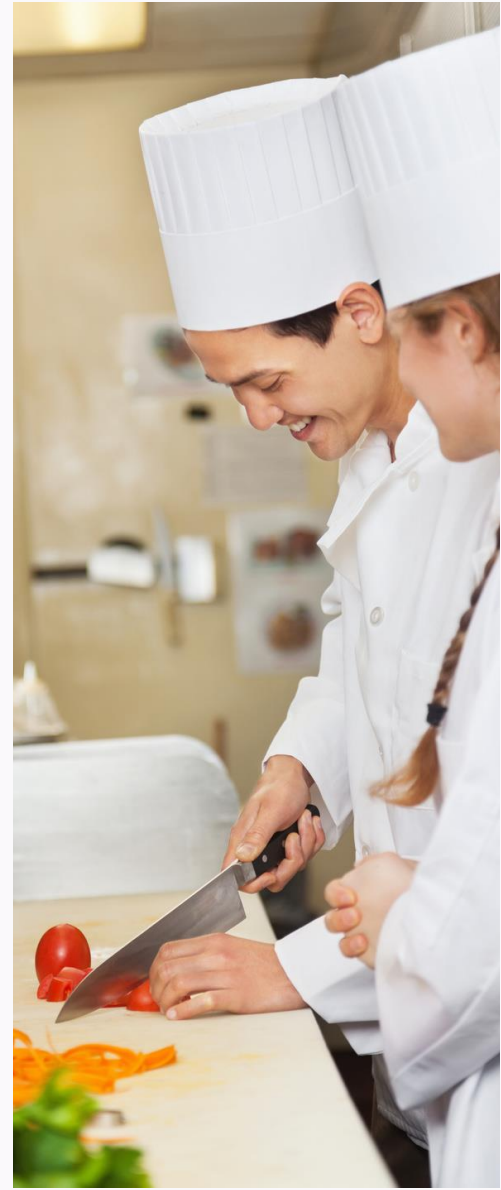

Australian education system Diploma program under Recognised Prior Learning (RPL) internationally recognized. The program is built on quality training "Real training - Real learning - Real profession" in Vietnam, helping students save a lot of time and money. Students will learn subjects of the DIPLOMA program according to Vietnam's vocational primary system and continue to advance theoretical and practical knowledge of the Certificate IV & Diploma. CSAI will directly evaluate and assess students and issue Australia's Diploma to qualified students. This program also applies to experienced workers seeking an international diploma to advance their career position or work in Australia and other countries worldwide.

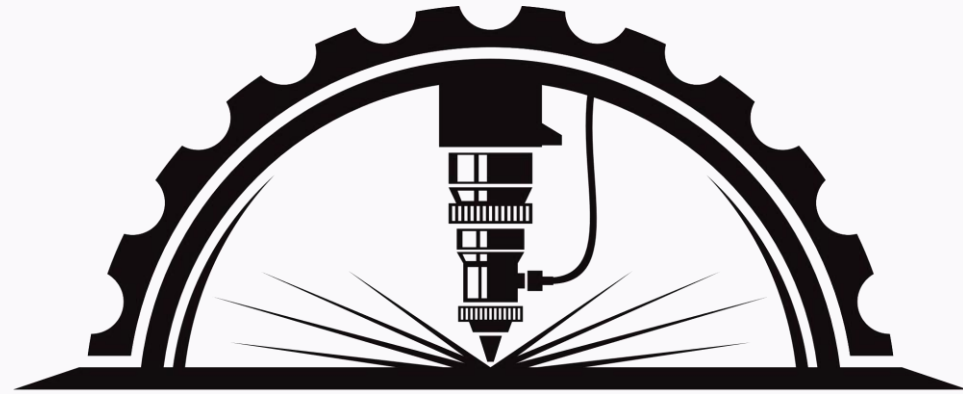

● CERTIFICATE III

Australian education system Certificate III program under Recognised Prior Learning (RPL) internationally recognized. The program is built on the foundation of quality training "Real training - Real learning - Real profession" in Vietnam, helping students save a lot of time and money. Students will study subjects of the CERTIFICATE III program according to Vietnam's vocational primary system and continue to learn advanced theoretical and practical knowledge of the International Certificate III. CSAI will directly evaluate and assess students and issue Australia's Certificate III to qualified students. This program also applies to those with work experience who want an international diploma to advance their career position or work in Australia and other countries worldwide.
